

City of Maple Valley Parks & Recreation – New Registration Software

How to Create an Account:

- Visit <https://cityofmaplevalley.perfectmind.com>
- Select “Create an Account” from the bottom of the login page
- Enter your contact information or choose to sign in with Facebook
- Your newly created account page will open, and you can search for programs by clicking on the ‘Register’ tab.
- NOTE: An auto-generated email will be sent to you with a temporary password and directions on how to reset your password. Please use this password the next time you log into your account and you will then be prompted to change your password.
