CAMP WILD

GENERAL INFORMATION

The goal of **CAMP WILD** is to offer quality, age appropriate, well supervised activities that will create a positive community environment in which all campers can interact and grow.

Visits to **CAMP WILD**

All visitors must check in with the Camp Manager before visiting campers.

Rainy Days at **CAMP WILD**

Camp will be held rain or shine. For inclement weather, please dress your child in a raincoat, sweatshirt, etc. A change of clothes should be sent with the child on these days.

Things NOT to bring to **CAMP WILD**

Camp Wild promotes group unity, cooperation, and teamwork. In an effort to help achieve this, we ask that campers not bring video games, magic cards, cell phones, playing cards of any kind, or any other item that may detract from the scheduled activities of the day. If these items are brought to camp the Camp Manager will hold them for the day. We also ask that you do not send money with your children on the field trips. We will provide for extra expenses that arise on that day. It should also be noted that the possession of knives or any kind, fireworks, matches, tobacco, alcohol, drugs or any firearms will result in expulsion from camp without a refund and referral to the local police department.

Parent's Meeting

You are invited to join us in our pre-camp Parent's Meeting, Thursday, June 25, 2020, 7-8pm at the Lake Wilderness Lodge.

2020 Camp Wild Staff

Maple Valley Parks & Recreation hires only the best staff available to run our incredible summer day camp – Camp Wild! They are all well trained and have experience working with kids.

Hello Parents/Guardians!

Our names are Madisyn Bucy AKA Bam Bam, and Rebekah Seely AKA Belle, and we are returning as the Day Camp Co-Managers for Camp Wild 2020. All the Camp Leaders will have camp names that the children will know them by. It is so much fun when children come up with their own camp names. Will you help them with this?

Madisyn has worked with children and youth as a Para educator for two years, Cataldo Catholic School for the past two years, and has coached ages 5-12 boys and girls basketball. She is working to get her Bachelors/Masters degree at Eastern Washington University with one year left of student teaching. She has a plethora of additional professional development in working with youth!

Apart from her experience as a Substitute Paraeducator, Rebekah has worked at Camp Wild as a Day Camp Leader and Senior Day Camp Leader for a few seasons, and is thrilled to be able to come back for another great year. While currently attending school at Brigham Young University studying Exercise and Wellness, she also loves being a part of the BYU Ballroom Dance Company where she is able to spread joy through dance and serve others.

We are excited to begin the 2020 Camp Wild Summer Day Camp season. We have worked hard with our staff to create new experiences for our campers while still maintaining the same organization and community that you have come to love. We are excited to provide a great variety of themed weeks this summer in order to offer each child something they will love. Here's to the promise of a great summer to come! See you there!

Sincerely,

Madisyn Bucy AKA Bam Bam
Rebekah Seely AKA Belle

Changes to the persons authorized for pick up will not be permitted by phone or hand written note and MUST be made 24 hours in advance with the Camp Manager.

Campers MUST BE escorted and signed in and out by a parent/guardian or an authorized, responsible adult.

Parents - Please leave a daytime telephone number if it is different from that in our Registration Packet.

Late Pickup Policy

1. It is the responsibility of the parent/guardian to provide the appropriate contact numbers of any and all persons who are authorized to pick up their child. If for some reason the parents/guardians know they will not be able to be there by 5:30 pm, it is their responsibility to have a backup plan in place. For the safety of the camper - no day of phone calls with pick up changes will be accepted. Please plan ahead.

2. A late fee of \$5.00 per child will be assessed after a grace period (first 5 minutes) with an additional fee of \$1.00 per child for every minute after the grace period. An invoice will be given to the late parent/guardian upon arrival to be paid in the Parks and Recreation office. If after 6:00 pm an email will be sent indicating the fee and stating it must be paid in full before a camper will be permitted to participate in the next day of camp. Park and Recreation office opens at 8:00 am. An additional past-due fee of \$5 per day will be added each time City staff must re-invoice you. Any fees not paid by the end of the camp season will jeopardize your family's participation all Parks & Recreation programs including attending Camp Wild. No payments can be accepted by camp staff.

3. If Camp Wild staff has not been contacted and is unable to reach anyone at any of the contact numbers provided by the parent/guardian, and one-half hour has elapsed after camp has ended at 4:00 pm or aftercare has ended at 5:30 pm; CAMP WILD staff will unfortunately need to call outside authorities such as the local police to investigate.

4. When a parent/guardian is 15 minutes late staff will attempt to call all emergency contact numbers on file, including parents/guardians or guardians at home, work and cell phone as provided by parent/guardian on the child's registration form. It is the parents/guardians responsibility to personally keep the Camp Manager informed of any changes in these contact numbers.

5. Parents/guardians, who are involved in custodial situations or those who wish to have someone other than them pick up their child, are required to put this information in writing and speak to the Camp Manager in person. Changes to the persons authorized for pick up will not be permitted by phone or hand written note and MUST be made in 24 hours in advance with the Camp Manager.

6. Under all circumstances, the staff of Camp Wild shall not hold your child responsible in any way for being picked up late. All discussion of this issue will only be with the parent/guardian and never with your child.

Lunch and Snacks

Camper's need to bring a 1) Paper bag lunch 2) water bottle and 3) a snack, to camp each day. Lunches should be clearly marked with the child's name and will be refrigerated if needed. A microwave is available for warming lunches. Please include utensils if necessary. All items should be disposable.

What to Bring and Wear

We ask that you send your child to camp in play clothes and have him/her wear closed-toe shoes. All items must have their name clearly marked. Campers should bring extra clothes suitable for a change in the weather (i.e. jackets, sweatshirt etc.) Camp staff will make every effort to get clothing back to your child. All unclaimed clothes will be put into the camps Lost and Found. It is your responsibility to report lost articles and to pick them up. A camp bag will be provided along with a checklist of required daily items. Please be sure to apply sunscreen to your child each day before coming to camp when

the weather is warm. It is suggested that your child bring sunscreen to camp on warm days to help protect him/her from the sun's harmful rays.

Campers must bring their own sunscreen. Camp Leaders will assist campers with applying sunscreen, but we encourage you teach your child how to apply sunscreen properly.

Field Trips

Each week we will feature up to two field trips. Transportation will be provided on a bus. Staff will not be responsible for the personal transportation of campers under any circumstance.

Volunteer Program

Parent/guardian volunteers/chaperones are welcome to assist with field trips and weekly activities. Please contact the Camp Manager for more information. All adult volunteers/chaperones will require a background check before participating in or assisting with any camp activity. A background check authorization form is available through the Maple Valley Parks & Recreation Department.

Illness

Children who are ill (with or without a temperature) or are unable to participate in regular activities should not come to camp. If your child has a fever, active rash, nausea, diarrhea, sore throat, head lice and stomach pain or has had any of these symptoms within the last 24 hours before camp, he/she should not be brought to camp activities. Refund requests will be considered with a Dr.'s note as to prevent any spread of an illness. Please email parksrec@maplevalleywa.gov

If a child becomes ill while he/she is in our care, a parent/guardian will be notified and asked to pick up the child. Symptoms such as vomiting, severe coughing, diarrhea, head lice or red spots will require removal of the child from the camp setting. Children may not return to camp without a clearance from the medical facility. Parents/guardians should establish an alternate plan for each child if they are unable to pick up a sick child or if they cannot be reached by telephone during the workday.

Parent/Guardians will be asked to fill out a Camper Profile Form to keep on file. In the event of an accident, parents/guardians will be notified immediately. If a parent/guardian cannot be reached, the physician in the child's records will be called and/or emergency action will be taken. (See emergency procedures)

Safety

Our number one concern is safety. Parents/guardians are required to read the following guidelines and discuss and or explain them to their child. Maple Valley Parks & Recreation wants your child to have a positive experience at camp this summer. A thorough review and complete understanding of these guidelines are necessary to make this happen.

Our staff will treat minor injuries and parents/guardians will be notified at the time of pick-up. If Camp Wild Staff recommends further medical treatment for the child, the parents/guardians will be notified immediately and/or 911 will be called.

Photography and Promotional

The City of Maple Valley and other media sources use photographs/video of campers for promotional material. To opt out of promotional use please contact the Camp Manager in writing (email) prior to your camper's first week of camp (Camp.Wild@maplevalleywa.gov).

Emergency Procedures

In case of a serious injury or illness, the following procedures will be followed:

- Call 911
- Administer First Aid/CPR per training & policy
- Contact parent/guardian or emergency contact
- File Accident/Medical Report

Medication at Camp

All camp staff members are certified to perform lifesaving first aid and CPR. Staff is not permitted to administer medications of any kind to campers. This includes; prescription or non-prescription medication, Tylenol, cough medicine, allergy medicine, etc. If your child takes medication regularly or for a temporary condition, those medications must be brought in the original container and be clearly labeled with the child's name and description of medication, physician and dosage.

Parent(s)/guardian must have a physician complete the Camp Wild Day Camp Medication Form which will be kept on file. Medications will be locked up and children must be able to administer it themselves. Children will keep sunscreen lotion in their possession and must be able to administer it themselves.

Severe Allergies

CPR & first aid certified staff will provide "assisted injections of medications" ONLY in life-threatening situations and according to the procedures established in the pre-camp consultation with parents/guardian and camp staff.

Parents/guardian of campers with potential life-threatening allergies and the child's physician must complete and sign the forms included in the "Supplemental Medical Form" which can be found with the Camp Registration Packet – both of which are available online at [Maple Valley Camp Wild](#). The final aspect of the process will include a meeting between the parent/guardian and two members of the camp staff to review the procedures and process involved in providing care during a life-threatening emergency. This parent/leader training is the responsibility of the parent/guardian to schedule a time and day with the camp manager at least 5 days prior to the child's first day at camp.

Special Needs

A Parent/Guardian must notify the Maple Valley Parks & Recreation Department of any special requirements or physical limitations of their child at the time of registration. In some cases, a doctor's approval may be required. Enrollment may be denied if after consultation the Camp Manager or Recreation Coordinator assesses that the needs of the child exceed the abilities of the staff to provide within reasonable accommodation, unless the parent/guardian or their assigned adult agent can provide the necessary accommodation. Any child with special needs must contact the Recreation Coordinator a minimum of 7 days prior to registering Allison.scott@maplevalleywa.gov. Note: The camp staff to camper ratio is one staff for every ten (10) campers. Some special needs campers may be required to provide an attendant or the parent/guardian may stay with the child.

In extreme cases the City of Maple Valley's Camp Wild will be unable to provide the proper environments and/or conditions to permit enrollment.

Individualized Education Plan (IEP)

If your child has an IEP and you feel sharing some information would benefit your child's success at camp, please contact the Camp Managers at Camp.Wild@maplevalleywa.gov.

Camp Organization

Each week of Camp Wild is based on a theme and includes many related activities. In addition, each week will include theme based special speakers, field trips, hands on experiences, outdoor games, scavenger hunts, snacks, craft projects and a swim in Lake Wilderness (weather permitting). We'll explore the arboretum and many trails in and around the park.

Discipline

Discipline is a key factor and necessary in organizing and maintaining a group of children. Certain limitations and guidelines will be set and enforced in order to have a successful Day Camp Program. In all matters of discipline, staff will attempt to communicate with children and re-direct activity through a variety of strategies, although consistent routine and program organization should keep disciplinary measures to a minimum. Maple Valley Parks Staff reserves the right to dismiss any child, regardless of ability or special needs, who is in their discretion, having continued adjustment problems and is unwilling or unable to abide by the camp rules and guidelines. Misbehavior on field trips could result in your child not being permitted to attend the next field trip.

Discipline Procedure

Should any child behave in a manner that threatens the safety of themselves, fellow campers or staff, they may be immediately dismissed from the program without a refund. Campers will be advised of their expected behavior at the beginning of each new week of camp and reminded of the rules throughout the week. Please help encourage your children to maintain good behavior.

Camper rules are as follows:

- Staff will utilize a card system to track and award both positive and negative behaviors.
- Each day, campers will start off fresh and be given a chance to improve upon the previous day.

The card system will be outlined as followed:

- **Green Card** - Go! You are free to participate and have fun with the group
- **Yellow Card** - Slow Down! 5 minute cool down from the activity. You may have the opportunity to earn your **Green Card** back!
- **Red Card** - Stop! 5 minute sit out from activity and removal from next free time. Campers will spend either lunch or snack time inside and will participate in filling out a behavioral FYI to be sent home with parent/guardian.

Serious or unsafe misbehaviors may warrant a skip in the steps, a direct call home, or dismissal from the program. Campers receiving 3 or more red cards in a week or 5 overall may have a scheduled conference with the Camp Manager and parent/guardian to discuss and form a new behavioral plan for the remainder of their camp participation. No refunds will be provided for any dismissed campers.

These steps are taken in order to provide a safe environment for all participating in our Day Camp Program. It is our goal to help each child develop self-control and respect for others. If you have any questions or concerns regarding this system, please contact the Camp Manager.

Camp Leadership

- Maple Valley Parks has carefully selected staff to ensure quality supervision and experience, while providing positive encouragement for each child.
- Leaders are professionals in this field and have training, which includes CPR, First Aid and leadership skill development.
- We strive to keep Leader/camper ratio to 1:10 whenever possible.

Daily Routine at Camp

For an idea of what a typical day at **CAMP WILD** will look like please check out our descriptions below. As always with a large group of kids, we have to be flexible and all times are subject to change.

7:30-9:00am: Before Care – Gently easing into the morning with books, board games, LEGOS, puzzles, coloring books, white board games, crafts, Fuse Beads, and so much more.

9–10am: Circle Time – Daily leader led camp fun – announcements, safety procedures, field trip overview, camp rules, silly songs, and a large group game allowing all campers to get to know each other.

10–12pm: Scintillating Stations

- Artsy Antics is a time for your child to explore and use their imagination while working on a craft designed by the camp staff. Some examples of the crafts we will do this year include bubble art, mail a hug, bird kites, create your own constellation, and much more!
- Science Exploration will have more engaged hands on learning activities, relating to the theme for that week. Some of these include creating science experiments, popsicle stick catapults, earth in a bottle, making a lemon battery, and gummy bear osmosis.
- Small Group Games are an excellent way to work on team work, cooperation, communication and the 5 components of physical fitness while having fun in the sun!

12-1pm Lunch and Free Time Outside: Campers will enjoy their lunch in the breezeway (between the camp rooms and the main building of the Lodge), building friendships with fellow campers and their leaders. Small group games, tetherball, jump rope, chalk fun, kickball, volleyball are a few activities offered to campers at this time.

1-3pm Beach Time: Beach Time is often a favorite time of day with our campers. We offer swimming, archery, large slip & slide fun, making memories at the playground, and some extreme sandcastle building.

3-4:00pm Snacks & Club Time: Snack time is followed by sports, dancing, small group games, exploring the trails around Lake Wilderness with leader led nature walks, and other leader specific planned activities. This is the time where campers will be able to choose their favorite activity to participate in until pick up.

4:00 - 5:30pm - After Care – Winding down for the afternoon with books, board games, LEGOS, puzzles, coloring books, white board games, crafts, Fuse Beads, and so much more.
