

I Spy with my little light eye...

Instructions:

Using the clues below, match them to the pictures on the following page and locate where they are in Maple Valley on the map provided. You may need to go out in person to find them all! Challenge your friends or family to see who can find them all first.

Don't forget to say "I spy with my little light eye..."

CLUES:

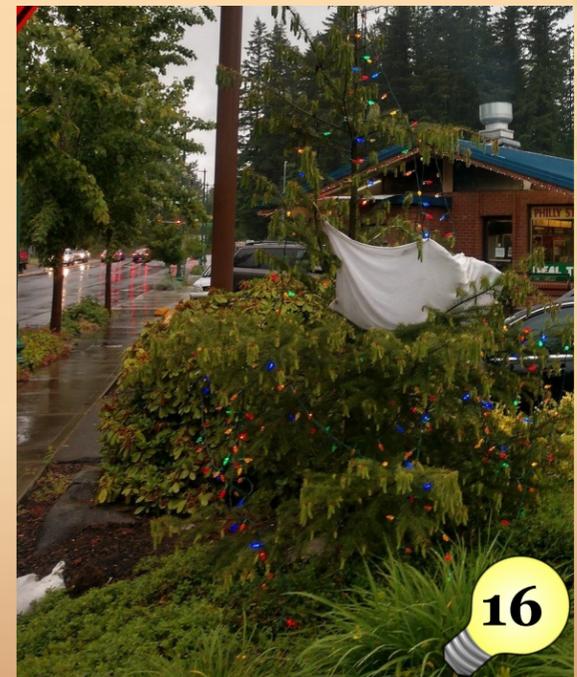

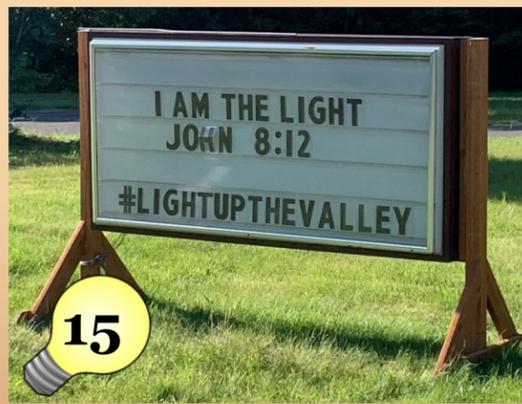

- A patio to enjoy pizza in town
- A flower that looks like a light
- A "g" look at me
- A new patio next to some construction
- A big bulb
- The last lamppost on the right at the top of the highest hill
- A sign to slow down
- A holiday tree in June?!
- An entrance to the park
- A private backyard oasis
- A mini waterfall welcoming you to the City
- Ziggin' and zaggin' (along a fence)
- Someone's twisted tree
- Spirals in a parking lot
- Maintenance crew's home base

BONUS:

- A sign dedicated to our current event series

I Spy with my little light eye...

Instructions: match the pictures with the clues and figure out where these “lights” are in Maple Valley.

I Spy with my little light eye...

MAP

“X” marks the spot, right?
