City of Maple Valley Announces New Traffic Signal

Maple Valley, Wash. – August 18, 2020 – The City of Maple Valley announces a newly constructed traffic signal located at the intersection of SE Kent-Kangley Rd and 242nd Ave SE in Maple Valley. The traffic signal will be activated and operational beginning Wednesday, August 19, 2020.

This highly anticipated traffic signal is part of the intersection improvement project that the City of Maple Valley constructed in order to improve the traffic operation and safety for all users at this busy intersection. Following the activation of the new traffic signal, a contractor will be installing intersection channelization striping and curbing a few days later.
