### Remote Learning

Our camp staff, although very professional and qualified, will not be able to offer 1:1 support to the campers. Campers will receive supervision and "tutoring" type assistance for remote learning times during camp hours. In order for our camp to be successful for all participants, children and parents are expected to track and be responsible for the completion of all individual school assignments.

Campers are required to provide their own computer, login information and specific school supplies required by their individual teacher.

### Medical Issues

A nurse will not be available at camp. If your child has a medical issue, allergies, or is on a behavior plan at school, you must complete the medical packet and email it to [parksrec@maplevalleywa.gov](mailto:parksrec@maplevalleywa.gov) **72 hrs prior to your child's first day of camp.** Forms and additional information can be found at: [www.maplevalleywa.gov/campwild](http://www.maplevalleywa.gov/campwild).

It is very important that if your child requires medication during the normal school session, that he or she also continue this regimen during our temporary camp sessions.

### Wait List

There are 20 camp spaces available each week and as soon as camp is full you will be asked if you want to be placed on the wait list. The wait list has 10 spots available. If a space becomes available the first person on the list will be called. If we don't get an answer, staff will leave a message, and you must respond within 24 hours with the necessary information and to register your camper. You may call to see where you are on the list. If you have more than one child you want to attend camp, be sure to register early.

### Refunds

Refund requests are permitted for review if submitted within 5 business days prior to the first day of your child's camp week. If your request meets the timeline, and your child's spot can be filled from the waiting list, a refund will be issued less a \$10 admin fee. If the request does not meet the above guidelines, all fees paid will be **non-refundable**.

### Late Pickup Policy

1. It is the responsibility of the parent/guardian to provide the appropriate contact numbers of any and all persons who are authorized to pick up their child. If for some reason the parents/guardians know they will not be able to be there by 4:00 pm, it is their responsibility to have a backup plan in place. For the safety of the camper - no day of phone calls with pick up changes will be accepted. Please plan ahead.
2. A late fee of \$5.00 per child will be assessed after a grace period (first 5 minutes) with an additional fee of \$1.00 per child for every minute after the grace period. An invoice will be given to the late parent/guardian upon arrival to be paid by phone to the Parks and Recreation office at 425-432-9953. If after 4:30 pm an email will be sent indicating the fee and stating it must be paid in full before a camper will be permitted to participate in the next day of camp. An additional past-due fee of \$5 per day will be added each time City staff must re-invoice you. Any fees not paid by the end of the camp season will jeopardize your family's participation all Parks & Recreation programs including attending Camp Wild. No payments can be accepted by camp staff.
3. If Camp staff has not been contacted and is unable to reach anyone at any of the contact numbers provided by the parent/guardian, and one-half hour has elapsed after camp has ended at 4:00 pm, Camp staff will, unfortunately, need to call outside authorities such as the local police to investigate.
4. When a parent/guardian is 15 minutes late staff will attempt to call all emergency contact numbers on file, including parents/guardians or guardians at home, work and cell phone as provided by parent/guardian on the child's registration form. It is the parents/guardians responsibility to personally keep the Camp Manager informed of any changes in these contact numbers.
5. Parents/guardians, who are involved in custodial situations or those who wish to have someone other than them pick up their child, are required to put this information in writing and speak to the Camp Manager in person. Changes to the persons authorized for pick up will not be permitted by phone or hand written note and MUST be made in 24 hours in advance with the Camp Manager.

## **Camp Wild 2.0**

6. Under all circumstances, the staff of Camp shall not hold your child responsible in any way for being picked up late. All discussion of this issue will only be with the parent/guardian and never with your child.
