(5) All references herein to “articles,” “sections” and other subdivisions or clauses are to the corresponding articles, sections, subdivisions or clauses hereof.

Section 2. Authorization of Bonds and Bond Details. For the purpose of refunding the Refunded Bonds and paying costs of issuance of the Bonds, the City is hereby authorized to issue and sell limited tax general obligation refunding bonds in the aggregate principal amount of not to exceed \$3,500,000 (the “Bonds”).

The Bonds shall be general obligations of the City, shall be designated “City of Maple Valley, Washington, Limited Tax General Obligation Refunding Bonds, 2015[____]” or other such designation as set forth in the Bond Purchase Contract and approved by a Designated Representative.

The Bonds shall be dated as of their date of initial delivery; shall be fully registered as to both principal and interest; shall be in the denomination of \$5,000 each, or any integral multiple thereof, within a maturity; shall be numbered separately in such manner and with any additional designation as the Bond Registrar deems necessary for purposes of identification; and shall bear interest payable on the dates set forth in the Bond Purchase Contract; and shall mature on the dates and in the principal amounts set forth in the Bond Purchase Contract and as approved by a Designated Representative pursuant to Section 11. The Bonds of any of the maturities may be combined and issued as term bonds, subject to mandatory redemption as provided in the Bond Purchase Contract.

Section 3. Registration, Exchange and Payments.

(a) *Bond Registrar/Bond Register.* The City hereby specifies and adopts the system of registration approved by the Washington State Finance Committee from time to time through the appointment of a state fiscal agent. The City shall cause a bond register to be maintained by the Bond Registrar. So long as any Bonds remain outstanding, the Bond Registrar shall make all necessary provisions to permit the exchange or registration or transfer of Bonds at its designated corporate trust office. The Bond Registrar may be removed at any time at the option of the Finance Director upon prior notice to the Bond Registrar and a successor Bond Registrar appointed by the Finance Director. No resignation or removal of the Bond Registrar shall be

effective until a successor shall have been appointed and until the successor Bond Registrar shall have accepted the duties of the Bond Registrar hereunder. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of such Bonds and this ordinance and to carry out all of the Bond Registrar's powers and duties under this ordinance. The Bond Registrar shall be responsible for its representations contained in the Certificate of Authentication of the Bonds.

(b) *Registered Ownership.* The City and the Bond Registrar, each in its discretion, may deem and treat the Registered Owner of each Bond as the absolute owner thereof for all purposes (except as provided in Section 12), and neither the City nor the Bond Registrar shall be affected by any notice to the contrary. Payment of any such Bond shall be made only as described in Section 3(h), but such Bond may be transferred as herein provided. All such payments made as described in Section 3(h) shall be valid and shall satisfy and discharge the liability of the City upon such Bond to the extent of the amount or amounts so paid.

(c) *DTC Acceptance/Letters of Representations.* The Bonds initially shall be held in fully immobilized form by DTC acting as depository. To induce DTC to accept the Bonds as eligible for deposit at DTC, the City has executed and delivered to DTC a Blanket Issuer Letter of Representations. Neither the City nor the Bond Registrar will have any responsibility or obligation to DTC participants or the persons for whom they act as nominees (or any successor depository) with respect to the Bonds in respect of the accuracy of any records maintained by DTC (or any successor depository) or any DTC participant, the payment by DTC (or any successor depository) or any DTC participant of any amount in respect of the principal of or interest on Bonds, any notice which is permitted or required to be given to Registered Owners under this ordinance (except such notices as shall be required to be given by the City to the Bond Registrar or to DTC (or any successor depository)), or any consent given or other action taken by DTC (or any successor depository) as the Registered Owner. For so long as any Bonds are held in fully-immobilized form hereunder, DTC or its successor depository shall be deemed to be the Registered Owner for all purposes hereunder, and all references herein to the Registered Owners shall mean DTC (or any successor depository) or its nominee and shall not mean the owners of any beneficial interest in such Bonds.

If any Bond shall be duly presented for payment and funds have not been duly provided by the City on such applicable date, then interest shall continue to accrue thereafter on the unpaid principal thereof at the rate stated on such Bond until it is paid.

(d) *Use of Depository.*

(1) The Bonds shall be registered initially in the name of "Cede & Co.", as nominee of DTC, with one Bond maturing on each of the maturity dates for the Bonds in a denomination corresponding to the total principal therein designated to mature on such date. Registered ownership of such immobilized Bonds, or any portions thereof, may not thereafter be transferred except (A) to any successor of DTC or its nominee, provided that any such successor shall be qualified under any applicable laws to provide the service proposed to be provided by it; (B) to any substitute depository appointed by the Finance Director pursuant to subsection (2)

below or such substitute depository's successor; or (C) to any person as provided in subsection (4) below.

(2) Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository or a determination by the Finance Director to discontinue the system of book entry transfers through DTC or its successor (or any substitute depository or its successor), the Finance Director may hereafter appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

(3) In the case of any transfer pursuant to clause (A) or (B) of subsection (1) above, the Bond Registrar shall, upon receipt of all outstanding Bonds, together with a written request on behalf of the Finance Director, issue a single new Bond for each maturity then outstanding, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the Finance Director.

(4) In the event that (A) DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained, or (B) the Finance Director determines that it is in the best interest of the beneficial owners of the Bonds that such owners be able to obtain such Bonds in the form of Bond certificates, the ownership of such Bonds may then be transferred to any person or entity as herein provided, and shall no longer be held by a depository. The Finance Director shall deliver a written request to the Bond Registrar, together with a supply of physical Bonds, to issue Bonds as herein provided in any authorized denomination. Upon receipt by the Bond Registrar of all then outstanding Bonds together with a written request on behalf of the Finance Director to the Bond Registrar, new Bonds shall be issued in the appropriate denominations and registered in the names of such persons as are requested in such written request.

(e) *Registration of Transfer of Ownership or Exchange; Change in Denominations.* The transfer of any Bond may be registered and Bonds may be exchanged, but no transfer of any such Bond shall be valid unless it is surrendered to the Bond Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Bond Registrar. Upon such surrender, the Bond Registrar shall cancel the surrendered Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee therefor, a new Bond (or Bonds at the option of the new Registered Owner) of the same date, maturity and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and cancelled Bond. Any Bond may be surrendered to the Bond Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same date, maturity and interest rate, in any authorized denomination. The Bond Registrar shall not be obligated to register the transfer or to exchange any Bond during the 15 days preceding any interest payment or principal payment date any such Bond is to be redeemed.

(f) *Bond Registrar's Ownership of Bonds.* The Bond Registrar may become the Registered Owner of any Bond with the same rights it would have if it were not the Bond

Registrar, and to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the right of the Registered Owners of Bonds.

(g) *Registration Covenant.* The City covenants that, until all Bonds have been surrendered and canceled, it will maintain a system for recording the ownership of each Bond that complies with the provisions of Section 149 of the Code.

(h) *Place and Medium of Payment.* Both principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Interest on the Bonds shall be calculated on the basis of a year of 360 days and twelve 30-day months. For so long as all Bonds are held by a depository, payments of principal and interest thereon shall be made as provided in accordance with the operational arrangements of DTC referred to in the Letter of Representations. In the event that the Bonds are no longer held by a depository, interest on the Bonds shall be paid by check or draft mailed to the Registered Owners at the addresses for such Registered Owners appearing on the Bond Register on the fifteenth day of the month preceding the interest payment date, or upon the written request of a Registered Owner of more than \$1,000,000 of Bonds (received by the Bond Registrar at least 15 days prior to the applicable payment date), such payment shall be made by the Bond Registrar by wire transfer to the account within the United States designated by the Registered Owner. Principal of the Bonds shall be payable upon presentation and surrender of such Bonds by the Registered Owners at the designated office of the Bond Registrar.

If any Bond shall be duly presented for payment and funds have not been duly provided by the City on such applicable date, then interest shall continue to accrue thereafter on the unpaid principal thereof at the rate stated on such Bonds until it is paid.

Section 4. Redemption Prior to Maturity and Purchase of Bonds.

(a) *Mandatory Redemption of Term Bonds and Optional Redemption, if any.* The Bonds shall be subject to optional redemption on the dates, at the prices and under the terms set forth in the Bond Purchase Contract approved by a Designated Representative pursuant to Section 11. The Bonds shall be subject to mandatory redemption to the extent, if any, set forth in the Bond Purchase Contract and as approved by a Designated Representative pursuant to Section 11.

(b) *Purchase of Bonds.* The City reserves the right to purchase any of the Bonds offered to it at any time at a price deemed reasonable by a Designated Representative.

(c) *Selection of Bonds for Redemption.* For as long as the Bonds are held in book-entry only form, the selection of particular Bonds within a maturity to be redeemed shall be made in accordance with the operational arrangements then in effect at DTC. If the Bonds are no longer held in uncertificated form, the selection of such Bonds to be redeemed and the surrender and reissuance thereof, as applicable, shall be made as provided in the following provisions of this subsection (c). If the City redeems at any one time fewer than all of the Bonds having the same maturity date, the particular Bonds or portions of Bonds of such maturity to be redeemed

shall be selected by lot (or in such manner determined by the Bond Registrar) in increments of \$5,000. In the case of a Bond of a denomination greater than \$5,000, the City and the Bond Registrar shall treat each Bond as representing such number of separate Bonds each of the denomination of \$5,000 as is obtained by dividing the actual principal amount of such Bond by \$5,000. In the event that only a portion of the principal sum of a Bond is redeemed, upon surrender of such Bond at the designated office of the Bond Registrar there shall be issued to the Registered Owner, without charge therefor, for the then unredeemed balance of the principal sum thereof, at the option of the Registered Owner, a Bond or Bonds of like maturity and interest rate in any of the denominations herein authorized.

(d) *Notice of Redemption.*

(1) Official Notice. For so long as the Bonds are held in uncertificated form, notice of redemption (which notice may be conditional) shall be given in accordance with the operational arrangements of DTC as then in effect, and neither the City nor the Bond Registrar will provide any notice of redemption to any Beneficial Owners. Thereafter (if the Bonds are no longer held in uncertificated form), notice of redemption shall be given in the manner hereinafter provided. Unless waived by any owner of Bonds to be redeemed, official notice of any such redemption (which redemption may be conditioned by the Bond Registrar on the receipt of sufficient funds for redemption or otherwise) shall be given by the Bond Registrar on behalf of the City by mailing a copy of an official redemption notice by first class mail at least 20 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Register or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar.

All official notices of redemption shall be dated and shall state:

- (A) the redemption date,
- (B) the redemption price,
- (C) if fewer than all outstanding Bonds are to be redeemed, the identification by maturity (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (D) any conditions to redemption;
- (E) that (unless such notice is conditional) on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and
- (F) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated office of the Bond Registrar.

On or prior to any redemption date, unless any condition to such redemption has not been satisfied or waived or notice of such redemption has been rescinded, the City shall deposit with

the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date. The City retains the right to rescind any redemption notice and the related optional redemption of Bonds by giving notice of rescission to the affected registered owners at any time on or prior to the scheduled redemption date. Any notice of optional redemption that is so rescinded shall be of no effect, and the Bonds for which the notice of optional redemption has been rescinded shall remain outstanding.

(2) Effect of Notice; Bonds Due. If an unconditional notice of redemption has been given and not rescinded, or if the conditions set forth in a conditional notice of redemption have been satisfied or waived, the Bonds or portions of Bonds to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and, if the Bond Registrar then holds sufficient funds to pay such Bonds at the redemption price, then from and after such date such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. All Bonds which have been redeemed shall be canceled by the Bond Registrar and shall not be reissued.

(3) Additional Notice. In addition to the foregoing notice, further notice shall be given by the City as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all Bonds being redeemed; (B) the date of issue of the Bonds as originally issued; (C) the rate of interest borne by each Bond being redeemed; (D) the maturity date of each Bond being redeemed; and (E) any other descriptive information needed to identify accurately the Bonds being redeemed. Each further notice of redemption may be sent at least 20 days before the redemption date to each party entitled to receive notice pursuant to Section 12 and with such additional information as the City shall deem appropriate, but such mailings shall not be a condition precedent to the redemption of such Bonds.

(4) Amendment of Notice Provisions. The foregoing notice provisions of this Section 4, including but not limited to the information to be included in redemption notices and the persons designated to receive notices, may be amended by additions, deletions and changes in order to maintain compliance with duly promulgated regulations and recommendations regarding notices of redemption of municipal securities.

The net proceeds deposited with the Escrow Agent shall be used to defease the Refunded Bonds and discharge the obligations thereon by the purchase of certain Government Obligations (which obligations so purchased, are herein called "Acquired Obligations"), bearing such interest

and maturing as to principal and interest in such amounts and at such times which, together with any necessary beginning cash balance, will provide for the payment of:

- (1) interest on the Refunded Bonds due and payable on and prior to the Call Date; and
- (2) the redemption prices of the Refunded Bonds on the Call Date.

Such Acquired Obligations shall be purchased at a yield not greater than the yield permitted by the Code and regulations relating to acquired obligations in connection with refunding bond issues.

(b) *Escrow Agent/Escrow Agreement.* The City hereby appoints U.S. Bank National Association, Seattle, Washington, as the Escrow Agent for the Refunded Bonds (the “Escrow Agent”). A cash balance, if any, and the Acquired Obligations shall be deposited irrevocably with the Escrow Agent in an amount sufficient to defease the Refunded Bonds. The proceeds of the Bonds remaining after acquisition of the Acquired Obligations and provision for the necessary cash balance shall be utilized to pay expenses of the acquisition and safekeeping of the Acquired Obligations and expenses of the issuance of the Bonds.

In order to carry out the purposes of this Section 7, each Designated Representative is authorized and directed to execute and deliver to the Escrow Agent the Escrow Agreement.

(c) *Call for Redemption of Refunded Bonds.* The City hereby calls the Refunded Bonds for redemption on their Call Date in accordance with the provisions of the 2005 Bond Ordinance authorizing the redemption and retirement of the 2005 Bonds prior to their fixed maturities. Said defeasance and call for redemption of the Refunded Bonds shall be irrevocable after the issuance of the Bonds and delivery of the Acquired Obligations to the Escrow Agent.

The Escrow Agent is hereby authorized and directed to provide for the giving of notices of the redemption of the Refunded Bonds in accordance with the applicable provisions of the 2005 Bond Ordinance. The costs of publication of such notices shall be an expense of the City.

The Escrow Agent is hereby authorized and directed to pay to the Finance Director, or, at the direction of the Finance Director, to the paying agent for the Refunded Bonds, sums sufficient to pay, when due, the payments specified in this Section 7. All such sums shall be paid from the money and Acquired Obligations deposited with the Escrow Agent, and the income therefrom and proceeds thereof. All such sums so paid to said Finance Director shall be credited to the Refunding Account. All moneys and Acquired Obligations deposited with the Escrow Agent and any income therefrom shall be held, invested (but only at the direction of the Finance Director) and applied in accordance with the provisions of this ordinance and with the laws of the State of Washington for the benefit of the City and owners of the Refunded Bonds.

The City will take such actions as are found necessary to see that all necessary and proper fees, compensation and expenses of the Escrow Agent for the Refunded Bonds shall be paid when due.

Section 8. Tax Covenants. The City covenants that it will not take or permit to be taken on its behalf any action that would adversely affect the exemption from federal income taxation of the interest on the Bonds and will take or require to be taken such acts as may reasonably be within its ability and as may from time to time be required under applicable law to continue the exemption from federal income taxation of the interest on the Bonds.

(a) *Arbitrage Covenant.* Without limiting the generality of the foregoing, the City covenants that it will not take any action or fail to take any action with respect to the proceeds of the sale of the Bonds or any other funds of the City which may be deemed to be proceeds of the Bonds pursuant to Section 148 of the Code and the regulations promulgated thereunder which, if such use had been reasonably expected on the dates of delivery of the Bonds to the initial purchasers thereof, would have caused the Bonds to be treated as “arbitrage bonds” within the meaning of such term as used in Section 148 of the Code. The City will comply with the requirements of Section 148 of the Code and the applicable regulations thereunder throughout the term of the Bonds.

(b) *Private Person Use Limitation for Bonds.* The City covenants that for as long as the Bonds are outstanding, it will not permit:

(1) More than 10% of the Net Proceeds of the Bonds to be allocated to any Private Person Use; and

(2) More than 10% of the principal or interest payments on the Bonds in a Bond Year to be directly or indirectly: (A) secured by any interest in property used or to be used for any Private Person Use or secured by payments in respect of property used or to be used for any Private Person Use, or (B) derived from payments (whether or not made to the City) in respect of property, or borrowed money, used or to be used for any Private Person Use.

The City further covenants that, if:

(3) More than five percent of the Net Proceeds of the Bonds are allocable to any Private Person Use; and

(4) More than five percent of the principal or interest payments on the Bonds in a Bond Year are (under the terms of this ordinance or any underlying arrangement) directly or indirectly:

(A) secured by any interest in property used or to be used for any Private Person Use or secured by payments in respect of property used or to be used for any Private Person Use, or

(B) derived from payments (whether or not made to the City) in respect of property, or borrowed money, used or to be used for any Private Person Use, then, (i) any Private Person Use of projects described in subsection (3) hereof or Private Person Use payments described in subsection (4) hereof that is in excess of the five percent limitations described in such subsections (3) or (4) will be for a Private Person Use that is related to the state or local governmental use of the projects refunded by the proceeds of the Bonds, and (ii) any Private

Person Use will not exceed the amount of Net Proceeds of the Bonds allocable to the state or local governmental use portion of the projects to which the Private Person Use of such portion of projects refunded by the proceeds of the Bonds relate. The City further covenants that it will comply with any limitations on the use of the projects refunded by the proceeds of the Bonds by other than state and local governmental users that are necessary, in the opinion of its bond counsel, to preserve the tax exemption of the interest on the Bonds.

(c) *Modification of Tax Covenants.* The covenants of this section are specified solely to assure the continued exemption from regular income taxation of the interest on the Bonds. To that end, the provisions of this section may be modified or eliminated without any requirement for formal amendment thereof upon receipt of an opinion of the City's bond counsel that such modification or elimination will not adversely affect the tax exemption of interest on the Bonds.

(d) *Designation under Section 265(b).* In the Federal Tax Certificate the City may designate the Bonds as "qualified tax-exempt obligations" under Section 265(b)(3) of the Code for investment by financial institutions if the City does not expect to issue more than \$10,000,000 in qualifying tax-exempt obligations in calendar year 2015.

Section 9. Bond Fund and Provision for Tax Levy Payments. The City hereby authorizes the creation of a fund to be used for the payment of debt service on the Bonds, designated as the "City of Maple Valley Limited Tax General Obligation Bond Debt Service Fund, 2015" (the "Bond Fund"). No later than the date each payment of principal of or interest on the Bonds becomes due, the City shall transmit sufficient funds, from the Bond Fund or from other legally available sources, to the Bond Registrar for the payment of such principal or interest. Money in the Bond Fund may be invested in legal investments for City funds.

The City hereby irrevocably covenants and agrees for as long as any of the Bonds are outstanding and unpaid that each year it will include in its budget and levy an *ad valorem* tax upon all the property within the City subject to taxation in an amount that will be sufficient, together with all other revenues and money of the City legally available for such purposes, to pay the principal of and interest on the Bonds when due.

The City hereby irrevocably pledges that the annual tax provided for herein to be levied for the payment of such principal and interest shall be within and as a part of the tax levy permitted to cities without a vote of the people, and that a sufficient portion of each annual levy to be levied and collected by the City prior to the full payment of the principal of and interest on the Bonds will be and is hereby irrevocably set aside, pledged and appropriated for the payment of the principal of and interest on the Bonds. The full faith, credit and resources of the City are hereby irrevocably pledged for the annual levy and collection of said taxes and for the prompt payment of the principal of and interest on the Bonds when due.

Section 10. Defeasance. In the event that the City, to effect the payment, retirement or redemption of any Bond, sets aside in the Bond Fund or in another special account, cash or noncallable Government Obligations, or any combination of cash and/or noncallable Government Obligations, in amounts and maturities which, together with the known earned income therefrom, are sufficient to redeem or pay and retire such Bond in accordance with its terms and to pay when

due the interest and redemption premium, if any, thereon, and such cash and/or noncallable Government Obligations are irrevocably set aside and pledged for such purpose, then no further payments need be made into the Bond Fund for the payment of the principal of and interest on such Bond. The owner of a Bond so provided for shall cease to be entitled to any lien, benefit or security of this ordinance except the right to receive payment of principal, premium, if any, and interest from the Bond Fund or such special account, and such Bond shall be deemed to be not outstanding under this ordinance.

The City shall give written notice of defeasance to the owners of all Bonds so provided for within 30 days of the defeasance and to each party entitled to receive notice in accordance with Section 12.

Section 11. Sale of Bonds.

(a) *Bond Sale.* The Bonds shall be sold at negotiated sale to the Underwriter pursuant to the terms of the Bond Purchase Contract. Market conditions are fluctuating and, as a result, the most favorable market conditions may occur on a day other than a regular meeting date of the Council. The Council has determined that it would be in the best interest of the City to delegate to the Designated Representatives for a limited time the authority to approve the final interest rates, aggregate principal amount, principal amounts of each maturity of the Bonds, whether to designate the Bonds as “qualified tax-exempt obligations” under Section 265(b)(3) of the Code, selection of the Refunded Bonds, and redemption rights.

Each Designated Representative is hereby authorized to determine whether to designate the Bonds as “qualified tax-exempt obligations” under Section 265(b)(3) of the Code, and to approve the final interest rates, aggregate principal amount, principal amounts of each maturity of the Bonds, selection of the Refunded Bonds, and redemption rights for the Bonds in the manner provided hereafter so long as

- (1) the aggregate principal amount of the Bonds does not exceed \$3,500,000,
- (2) the final maturity date for the Bonds is no later than December 1, 2020,
- (3) the Bonds are sold (in the aggregate) at a price not less than 100% and not greater than 120%,
- (4) the Bonds are sold for a price that results in a minimum net present value debt service savings over the Refunded Bonds of 3.50%,
- (5) the true interest cost for the Bonds (in the aggregate) does not exceed 3.00%, and
- (6) the Bonds conform to all other terms of this ordinance.

Subject to the terms and conditions set forth in this Section 11, the Designated Representatives are each hereby authorized to execute the Bond Purchase Contract. The signature of one Designated Representative shall be sufficient to bind the City.

Following the execution of the Bond Purchase Contract, a Designated Representative shall provide a report to the Council describing the final terms of the Bonds approved pursuant to the authority delegated in this section. The authority granted to the Designated Representatives by this Section 11 shall expire 120 days after the effective date of this ordinance. If a Bond Purchase Contract for the Bonds has not been executed within 120 days after the effective date of this ordinance, the authorization for the issuance of the Bonds shall be rescinded, and the Bonds shall not be issued nor their sale approved unless such Bonds shall have been re-authorized by ordinance of the Council. The ordinance re-authorizing the issuance and sale of such Bonds may be in the form of a new ordinance repealing this ordinance in whole or in part or may be in the form of an amendatory ordinance approving a bond purchase contract or establishing terms and conditions for the authority delegated under this Section 11.

(b) *Delivery of Bonds; Documentation.* Upon the passage and approval of this ordinance, the proper officials of the City, including the Designated Representatives, are authorized and directed to undertake all action necessary for the prompt execution and delivery of the Bonds to the Underwriter and further to execute all closing certificates and documents required to effect the closing and delivery of the Bonds in accordance with the terms of the Bond Purchase Contract.

(c) *Preliminary and Final Official Statements.* The Finance Director is hereby authorized to ratify and to deem final the preliminary Official Statement relating to the Bonds for the purposes of the Rule. The Finance Director is further authorized to ratify and to approve for purposes of the Rule, on behalf of the City, the final Official Statement relating to the issuance and sale of the Bonds and the distribution of the final Official Statement pursuant thereto with such changes, if any, as may be deemed to be appropriate.

- Appointment of a successor or additional trustee or the change of name of a trustee, if material.

(d) *Format for Filings with the MSRB.* All notices, financial information and operating data required by this undertaking to be provided to the MSRB must be in an electronic format as prescribed by the MSRB. (f) *Termination/Modification.* The City's obligations to provide annual financial information and notices of certain listed events shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. Any provision of this section shall be null and void if the City (1) obtains an opinion of nationally recognized bond counsel to the effect that the portion of the Rule that requires that provision is invalid, has been repealed retroactively or otherwise does not apply to the Bonds and (2) notifies the MSRB of such opinion and the cancellation of this section.

The City may amend this section with an opinion of nationally recognized bond counsel in accordance with the Rule. In the event of any amendment of this section, the City shall describe such amendment in the next annual report, and shall include a narrative explanation of the reason for the amendment and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (A) notice of such change shall be given in the same manner as for a listed event under Subsection (c), and (B) the annual report for the year in which the change is made shall present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

(g) *Bond Owner's Remedies Under This Section.* The right of any bondowner or Beneficial Owner of Bonds to enforce the provisions of this section shall be limited to a right to obtain specific enforcement of the City's obligations under this section, and any failure by the City to comply with the provisions of this undertaking shall not be an event of default with respect to the Bonds.

(h) *No Default.* Except as otherwise disclosed in the City's official statement relating to the Bonds, the City is not and has not been in default in the performance of its obligations of any prior undertaking for ongoing disclosure with respect to its obligations.

If any one or more of the covenants or agreements provided in this ordinance to be performed on the part of the City shall be declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements of this ordinance and shall in no way affect the validity of the other provisions of this ordinance or of the Bonds. All acts taken pursuant to the authority granted in this ordinance but prior to its effective date are hereby ratified and confirmed.

Section 15. Effective Date of Ordinance. This ordinance shall go into effect five (5) days after its adoption and publication.
